## Children's Sabbath School is back in person, February 4, 2023.

### Welcome to a new year in Kingdom Kids!

**A New Year:** Beginning February 4, 2023, we will welcome our children to their newly cleaned and decorated Sabbath School classrooms. Children from birth to 14 years of age are welcome. Children can join us every Sabbath from 10:15 am until 11:45 am.

**Parent Involvement:** Parents are a vital part of children's growth both inside and outside of our classes. Our classrooms are staffed by volunteers. If your children are attending Sabbath School, we ask that you volunteer once a month if possible. There are lots of different ways to be a part of what is happening and no special skills are required for most! We will make sure you are prepared and ready to learn and grow with the children. If you have a child that is birth to 3 years old you are required to stay in the Cradle Roll room with your child during Sabbath School. Our curriculum for all classes can be found at <https://www.gracelink.net>. I encourage you to take a look at what your child will be studying this quarter. The lessons are also available in audio and video via the Gracelink website.

**Additional Information:** Having a safe and healthy learning environment is one of our priorities. In an effort to make sure all of the children are safe, we are requiring all children who are attending Sabbath School to register. Parents can register all of their children using the Children's Ministry Sabbath School QR code. The code will be available in the hallway entrance to the Sabbath School classes. Once you register your child for all subsequent Sabbaths you will only have to sign in using the QR code and answer the protocol COVID questions.

Yours in Christ,
